HOMECOMING

King Philip students spazzed out! October 17 was the Homecoming game. KP vs OA. It was a battle to the death. The students built floats, painted faces, dressed crazy, and acted wild. Two weeks of building and $200 later, the floats were brought to the KP Plaza for the 5:00 pm parade. The parade was a fine example of KP spirit. There was horn honking, and people shouting. The Queen, Carla Axberg, and Court, Stacy Latham and Jen Masterson, graced the parade with their beauty.

The float sponsored by the Sophomore class was a fine example of togetherness. Their theme, "Throw OA Away, KP Rules Today" showed great imagination and effort.

King Philip Homecoming would not have been the same without the exciting show by our outstanding band. The KP Band dressed the field while the colorguard performed splendidly. Though the Homecoming ended, the spirit continued with the students and players.

SPIRIT WEEK

Zip, Boom, Ba, Wow, talk about spirit! The first big time of the year is Spirit week October 13-16. During these crazy times, student council runs a series of hype days in hopes of getting the students and the athletes psyched for the Homecoming Day game. This year the first spirit day was Tag day on Tuesday. The casanova of the year was Mike Digris with a total of 70 tags. The next day Wednesday was college and sports day. Thursday, Hawaiian Day, had the halls lit up with loud bright colors and beaming faces. The Don Ho winners were Sonya Hoyle, Stephanie Pavao, Mike Casavant, Fred Longobard, Deb Kuta. The final day Friday was the traditional green and gold. The week was a great success and it really was time to let loose.

Juniors and Seniors were groovin' last year at the 86-87 prom. The Prom, which was held at the Mansfield Sheraton, started off with a band at 7:00 pm. The elegant ladies and dapper gentlemen arrived in their varied transportation ranging from grand limos to sleek sports cars. The music started early but slowed as dinner, Chicken Cordon Bleu, was served. After dinner the excitement started again. The music really hit a high note as couples and friends danced and laughed to the song of the evening, "We've Got Tonight", by Bob Seger. Later in the evening, the beautiful Jen Pomfret was crowned Queen along with her magnificent court of Allison Walsh, Pam Fisher, Jen Masterson, and Sonya Hoyle. But, the evening could not have been complete without the company of a strong, yet sensitive King, Jim Barrett. The evening moved smoothly ending at 11:30 pm. Though for many the evening was not over because little get togethers made up of friends followed. The Prom was a great night and will always be remembered because of the good time shared by all.

TODD KAMMERIN PRESENTS THE DIFFERENT PHASES OF SENIOR STUDY LIFE OTHERWISE KNOWN AS . . . SENIOR OVERLOAD!

WELL, HERE'S TODD, CONCENTRATING VERY HARD ON HIS HOMEWORK.

TRI A 3 WAY DEDICATION

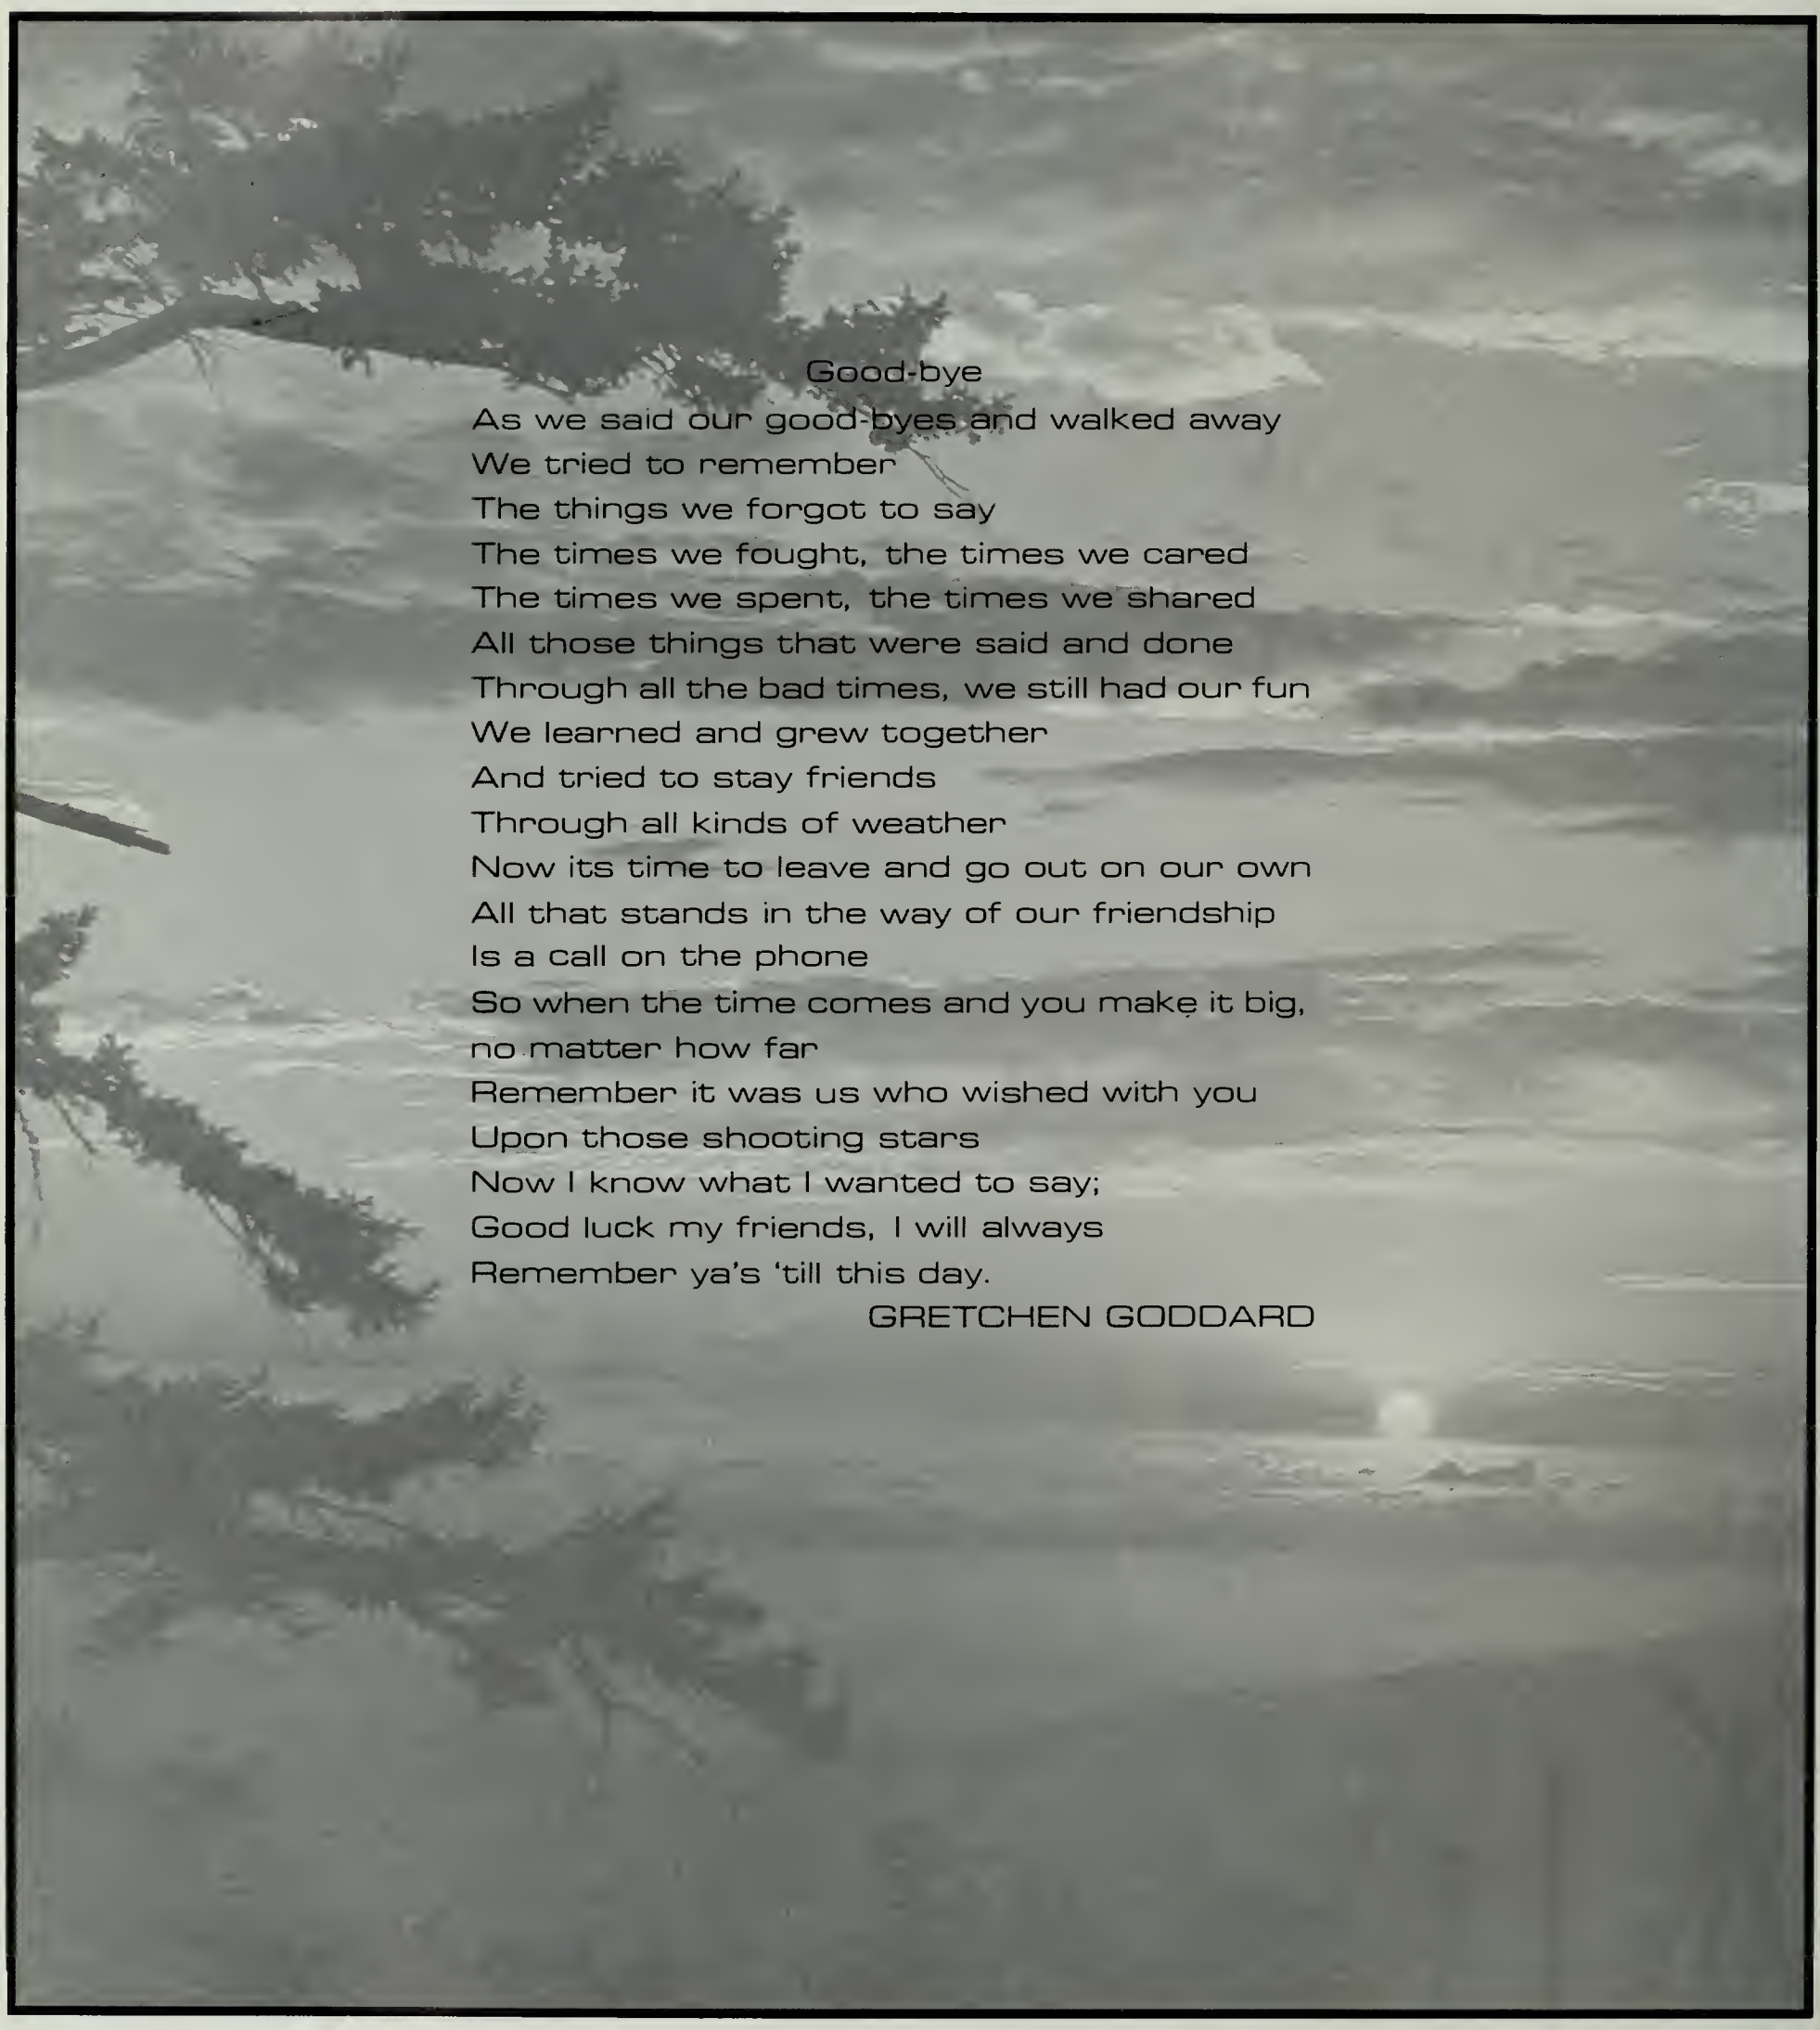

We, the senior class of 1988 have decided to dedicate our yearbook to three people who have added so much to our years at King Philip. Mr. Black, thank you for the understanding that we are more than just "students." We appreciate the interest you have demonstrated. As we revel in your trust and respect, our admiration for you continues to grow.

Mr. Fairfield, for the past four years you have always been there to talk to us, encourage us and guide us. We will always look up to you, Mr. Fairfield, not because of your Height, but because of the Example you have set.

Miss Figueiredo, the support you have given our class has not gone unnoticed. When we needed someone to care, you were there. When we needed someone to pull us together and set us on our feet, you were there. Thank you, Miss Figueiredo, for the Love you have shown it is returned wholeheartedly.

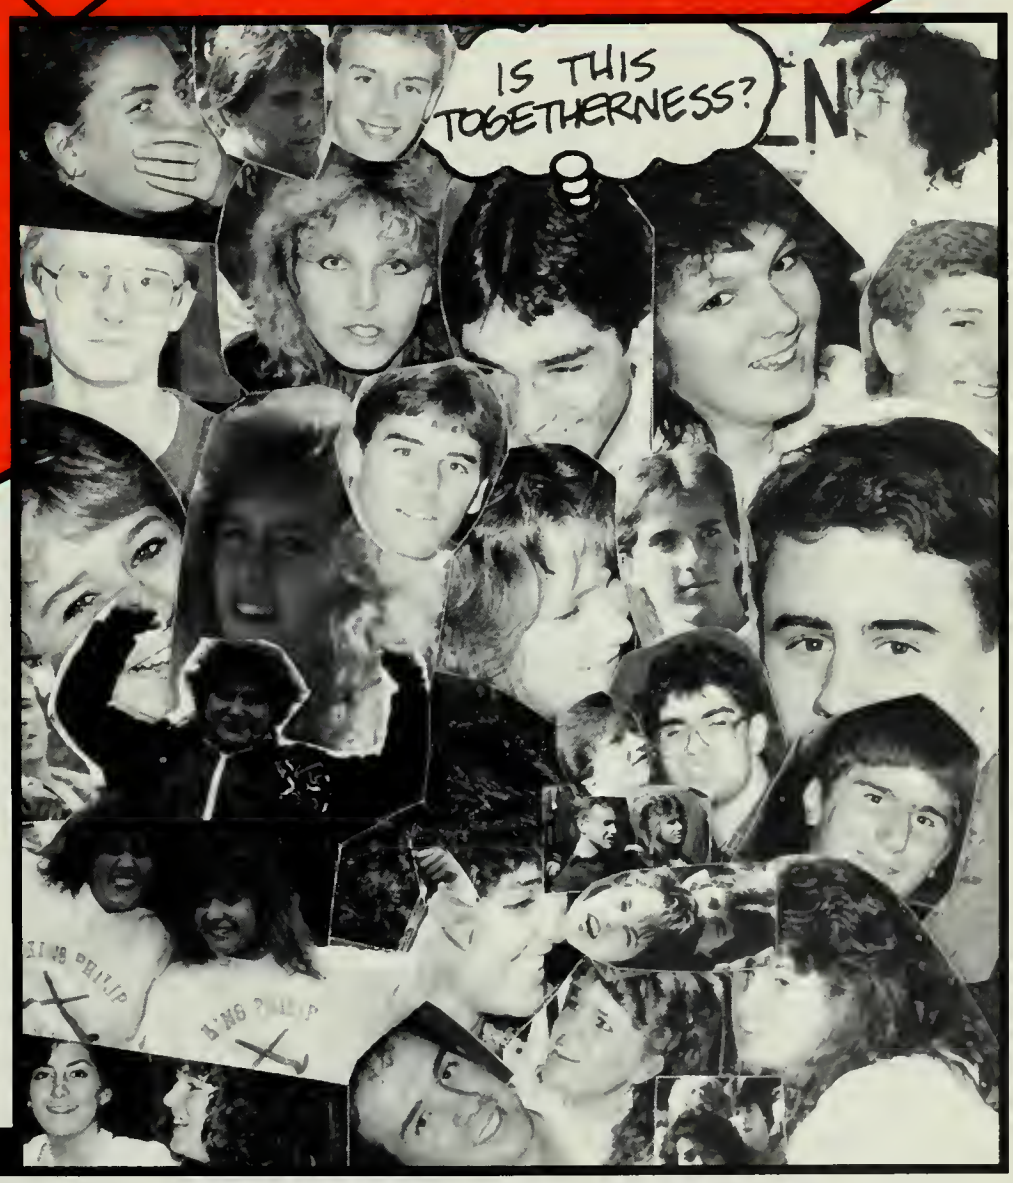

Good-bye
As we said our good-byes and walked away
We tried to remember
The things we forgot to say
The times we fought, the times we cared
The times we spent, the times we shared
All those things that were said and done
Through all the bad times, we still had our fun
We learned and grew together
And tried to stay friends
Through all kinds of weather
Now its time to leave and go out on our own
All that stands in the way of our friendship
Is a call on the phone
So when the time comes and you make it big,
no matter how far
Remember it was us who wished with you
Upon those shooting stars
Now I know what I wanted to say;
Good luck my friends, I will always
Remember ya's 'till this day.

Before reading this document, which has been found in an under sea capsule, it is necessary to inform you of what has taken place in the past. Billions of years ago there had been a great war which took place between two very prominent political members, DAVID KILLIAN of Russia and TOM MOORE of the U.S.A. Through this war all life on the so-called planet Earth failed to exist.

DOCUMENT:

Archaeological studies that have just been completed in Calendrea have given evidence to previous existence of the U.S.A. Records found in an under sea capsule have given proof that there had been a great war which destroyed all previous life forms on the planet Earth. This war as scientists tell us began and ended because of two very important leaders of countries, DAVID KILLIAN Czar of Russia and TOM MOORE President of the U.S.A. These researchers have pieced together facts which how prove that the misunderstandings between these two men caused the war. This annihilation of the world was due to the frustrated DAVID KILLIAN threatening to push the nuclear destruction button on U.S.A., but, TOM MOORE whom was always one step ahead of Dave beat him to it.

This information was not the only artifact which the divers found. There was also an 1987-88 King Philip yearbook, which must have been a record of all student life. In this book there are tiny facts about the life of each student 20 years after their graduation. It appears very odd that this civilization could have recorded these facts so precisely but, this is all the knowledge we have to this point. Here is the letter to what must have been a very affluent woman.

June 5, 2008

DEAR MRS. COOPER,

How are you? It has been one week since the class of '88 had its 20th reunion. We found out what everyone has been doing the past twenty years, and we figured that it was time that we let you know.

You are never going to believe it but MIKE RINALDI, DAVID PAGE and MIKE DIGRIS were all running for the presidency. Their main competition was LORI FINLEY, SATI BENES, and KRISTEN LINDY, three prominent women in the political world. Unbelievably, DAVID KILLIAN was just appointed, by the current president, TOM MOORE, as the youngest ambassador to Moscow. BARBARA BIRKBECK had handled the paper work, since she is the President's personal lawyer.

Oh, by the way have you seen or heard from BRIAN LOUGHLIN or JASON MOVSESSION? They were last seen at a graduation party in early June of '88. If you hear anything let us know!

Some of the class went on to do the most unique things. Such as, KAREN ALLEN who is doing Robert Smith's (The Cure) hair in her hair salon in London, (for hard core punks only). DON LARSON eat your heart out! DEANNA HOVEY is living with Johnny Rotten above a thrift shop in London. Last we knew, they were barely getting by because of the low sales of their velvet Elvis'. Speaking of Europe, DANIELLE MERRITT is painting street scenes in Paris. Because of the increase in population in Europe, RICH ROSS spends his evenings in a shoe box in the corner of his room after a long, hard days work in a coal mine.

08

SHARON RODERICK is a part time spokeswoman for "Sunnyside Sharon Suntan Lotion." But, you can see her doing "The Beach Review" on Entertainment Tonight. She is not the only one that went into the business world. TERRI KELLEY and CELEST RING own their own business. What kind? We have yet to find out. AMY MULLINS is heavily involved in New Wave Fashion clothing and owns her own store. DELORES CAREW caught in the nick nack frenzy in 1995 opened her own store which opens at precisely at 5:12 every morning. RICH KENISTON owns a microwave Pet Control Co?? DEAN JOHNSON became a affluent businessman. KAREN WESSINGER currently practices law in her own firm in Santa Barbara, CA. ROBERT PELLITIER owns a widely recognized billion dollar Enterprise, and is happily married to Steph N. LYNN THOMPSON directs the McDonald's All American Marching Band but it is not because she owns 5-10 McD's franchises.

MEL BAKER, JEN CHAMBERLAIN, and STEPHANIE HAYES opened a chain of Adult Toy shops across America. MELANIE PETTIS went on to become a high class lawyer and also a part-time interpreter. LISA PARMENTER owns her own bakery and is making a lot of "dough". KATHY JOHNSON dove into the fish market in the South Bronx . . . Holy Mackerel!!! Because of her ability with children, JENNIFER COATS runs her own nursery school. PAULA FERIOLI owns a travel agency. LLOYD MOLLOY works for his dad at Molloy Press Service Inc, New Jersey. The final Entrepreneur, MARIA EZCURRA, with the professional help of JULIE BARRETT, owns her own business and is making mucho dinero!

CARIA AXBERG is president of GQ magazine and had been seen flying over the Carribean on her horse with GRETCHEN GODDARD. While TINA BARSTOW had been lost on her horse in

the snow drifts. SCOTT GRATTON is welding his way into his business. MARCI NORTON is happily plaster casting. Be sure to tell Miss Ryan that LESLIE KEAYS was "Journalist of the Year" for the Boston Globe. JULIE DOUGERY works with special needs kids. KIM COOKE is teaching elementary school. JEN VAN MATER found out what mind-boggling teaching could be after teaching high school Mathematics. DR. KERRI THOMPSON and STACEY ROOS, a physical therapist, both work at world famous Mass General. While their husbands tend to the kids, CAROLYN SMITH and MELISSA KOSOWSKI tend bar for White Island, in Malibu. MARIA SUAREZ, now an airline manager traveling around the world, broke off the engagement with RICK WOOD, because he insisted on flying his F-16 into Iranian Gunfire. Yet, he is not the only military officer. JEFF ELLIS, a Navy machine worker, works under his high ranking officer JAMES TEIXEIRA. DOUG BERRY an aeronautical engineer for the NASA Space Program with one of the best mechanical engineers in the country, VAN HOANG HAI VO, just released THE SUMMIT shuttle in 2007. PETER JOHNSON, a computer programmer in New York City, often runs into JAMES MASTERSON, who regulates traffic in the Empire State Building. LEXIA CALZARETTA, who is now seated in Congress, has just resolved a case much like that of Oliver North's. Yet, her success in this trial would not have been possible if it were not for the aid of Business Graduate, JOSEPH DEFORGE.

KEVIN GIBSON, still with KT, has already made two million dollars, and is presently visiting BILL BARKLEY his grandmother's beach house while PHIL REDFEARN is still trying to make $2,500 a week. KRISTEN DANIELS, after just inheriting her late husband's fortune, has her eye on DOUG DIXION's millions. ERIK VON HAUSEN, who owns a large corporation, made GREG TURNER a rich electrician and helped DOMINIC LONGABARDI to retire from banging nails. Have you seen ELLEN LOEW broadcasting on Channel 4? She was on last week and talked about a rich, famous single model. Who else but SONYA HOYLE? Too bad SONYA has not run into STEVE BETTENCOURT because she could help him spend his millions. BRIAN COSTELLO, MARY CATALDO, RICH DAVIS, MARK JOHNSON, GARY LEWICKI and RANDY KINSMAN are all retired and enjoying their wealth. Thank goodness for TOM FLORAMO because if it was not for his magical tape recorder and camera we would not have remembered these numerous occupations.

You will be happy to know that JOANIE WOOKMAN, TRISHA WEISE, PAM GRISWOLD and SONJA EGGERS are all married with children and live in Hawaii. ABBY STEVENS, ROB MILLS, and RALPH VERNA are all very successful and married with happy families. TERRI SLOAN, a mother of 5, married Dave and now raises champion horses. DEBBIE TAYLOR, BRIAN FRETZ and PATTI CAPARILLA are enjoying life to its fullest with their families. ANDRE LALIBERTE, with the help of his family, made it big in his chosen profession. We saw a big trial on the news between RENEE BETTENCOURT and TINA BEARCE. Obviously RENEE, mother of 12, had taken TINA ot court for verbal abuse to TINA's own children KERRIN MCDONALD is still searching the outback of Australia for the perfect man. These people are all living happy lives unlike CHRISTINA DANIELS, who is suffering a mid-life crisis.

Have you seen the Top 10 Blockbuster movies of 2008? It was directed by DEREK BREEN and featured KEITH CARLSON replacing "Spuds" and BRIAN RAFUSE replacing "Rodney". Oh, we forgot to tell you that our famous Chieftain photographer, FRED LONABARDI, filmed the entire movie. TARA KNELL, ART TEDESCHI, and TRAVIS MCCALLY are all famous musicians playing gigs around the world. Partying with the Miles Band, LAURE BURNS, JILL GALLAGHER, NICOLE VAPHIADIES, PAM SWANTAK, and TRACY HALL all make big money selling stir fry to strangers in a blue bus. DIANE KRAMER, an artist living in New York, contacted us and told us that MARK FOLLIS and GREG PARSONS and were selling candy and pencils on New York street corners. Mrs. Cooper, thank God PETER MELISH took basket weaving at KP because he is now weaving baskets to catch butterflies professionally!

After ED MORAN led the Seattle Marines to their first World Series Championship, he got SCOTT GRZENDA a pitching position on the team. KIM and KAREN HAYES are coaching the world's first all-girl football team, the New England Slimmettes. MATT BUFFEY was last seen coming down the slopes for the U.S. ski team. ERIC SHAW is playing professional hockey and is married to Kristen. JOHN WEBSTER took a gold home in the 1992 Olympics for the 400m. And ALLISON LINCOLN is teaching aerobics to all mothers of the world.

While some people have found their out post in life some others haven't some still relax in Sunny CA, like ERIN MCGILL, SUE HOYLE, DANNY LYGREN and ROBERT CRONIN. They have been known to meet at JEANINE GENOVESES' glasshouse on the beach. Yet, there have been some rumors from Palm Springs that MAYA NAKARDI has converted to polyester apparel. Oh! Let us not forget the unbelievable record set by

PAT HAZLETT for swimming from CA to Hawaii under water. His journey was full of old acquaintances during his trip he almost hit ERIC SPINK's yacht while he was cruising the world. After that evening they had dinner with KENT ANDREWS, his wife and three children. We also heard that TOM GRAVELINE, TIM GORMAN, and JOHN GRADY are floating around the Carribean on their yachts with Stormin. They have been known to visit JILL CARLSON, BRIDGET THEBERGE, and ED MOVSESSION on their Fantasy Island of Jamaica. Believe it or not, time has not disturbed JASON PROTER and LAURA VENTERROSO in their home in Sunny Florida.

The Class of 1988 is not only known on the islands, but there is also word that JERRY BENSON and JEN MASTERSON are skiing the Alps through Europe. We also heard that KRISTEN KEISTER is sunning and relaxing on a beach in Torreniolino, Spain while KIMMO KALAJA is living a stressless life in the suburbs of Helsinki. RICHARD DESCHAMPS, KIM REID, and MORINDA JACOB were last seen in Europe in the Riviera, but RICHARD was leaving on a flight to Alaska.

Attending an invitational track meet in Africa, STACEY LATHAM and KELLEY LAVALLEE got a chance to reunite with KAREN FIGURELLI, BRONWYN DONAHUE, and KERI FAFORD in Armaida while dining on tacos, orange gatorade and goat's milk. We also heard that they took a tour to a big attraction in the middle of the Atlantic where JEN LITTLE, JEN ROBERTS, and LAURA BURNS live in a coral castle. Others like LISA LAWLER, JEAN CALIHAN, SHAWN CREEGAN, and MIKE LENNON HAVE JUST BEEN SIGHTED HANGING OUT. HAVING A GOOD TIME. Yet, TODD LINDMARK has to travel from Colorado to Quebec to share with friends. PAT SULLIVAN and MELISSA DYNAN are still recovering from graduation night; they are presently single and playing the field. But, as usual, DOUG PALMBORG is following The Dead around the world. The rest of the group, JAMES FRIZZELL, TODD KAMMERER, and NEIL KAVANAUGH are still enjoying life, relaxing and doing everything and anything. JENNIFER HARDY, poor child, was put into theater program because she kept trying to make Mr. V an interesting person. We saw SCOTT MAHADY who still works at Shaw's and he said SHANE CHILLI, and KIM DOOLEY are just getting back from going around the world.

FRANK FREY, BILL COTE & BILL FOWLER are building racing automobiles for General Motors and sponsoring MIKE COLLINS with his racing career. WAYNE RAYN is still riding his motorcycle around the tri-town area. We saw JASON CLARK in his '67 Camaro being stopped by the police for speeding. We also saw TERRI GALLAGHER driving around with DANIELLE MERRITT in his GTO.

PATTI BUTLER and LISA FEDERICO are two very important businesswomen for the Jaguar Corporation. MARY ELLEN TEIXEIRIA just sent us a letter saying that she was driving by in her black Lamborghini. SHERRY SPENCER and ROB THOMAS are both involved with their cars, a red Ferrari and 1964 Stingray.

On the other bright side of the story, CHRIS CHARLEBOIS has been convicted to a life sentence in Rio with $15 million, while TERRI CONNOLLY is writing a play called Sticky Fingers. MIKE TREEFUL is also spending time in the Islands involved in a gambling circle. Another group, STEVE HEARON, ROB KINSMAN, and JEFF LEWIS have been in all of the papers because they were locked in the Merry-Go-Round for a year of drinking Space Tweeneres.

Mrs. Cooper, do you know if MARK COOK is back from Rio? We have not heard much about JIM JANISZESKI but, he must still be fixing cars. JAY HARNETT is throwing an anniversary party for one of his many wives, and Deanna Cooper, the owner and inventor of Repsi, Inc. is supplying the refreshments.

And as for TONI ROCHE, well, she is with CINDY CURTIS and Stevie Nicks drinking rootbeers after a long hard day of dealing with the Hyannis attitude.

OH! We almost forgot to tell you that LISA ARADO is still trying to hem her graduation gown. Can you believe that the Class of 1988 is all over the map?

Love,

LEXIA, COOP and SONYA.

P.S. MIKE PUCCIA did finally graduate and made it to the reunion. He's still just as cute.

This letter is certainly bizarre, yet, it holds many facts about the past. This civilization obviously was very excited about wealth, power, travel, space trips, and success. This was once a myth that an old man named JASON ROMSEY lived on the plant Mars. His story passed down through centuries in the universe. JASON said that he belonged to this civilization but ejected from Earth during its period of destruction. Yet, it was always thought to be a false story now after his death and these discoveries. Was he right?? I wonder.

"A STAR IS BORN."

IS THIS THE "WHOLE" TEAM?

FINALLY, IT'S MY TURN.

We, the class of 1988, began our high school years in September of 1984 under the leadership of Geralding Doyle — President, Jennifer Masterson — Vice President, Tricia Lamb — Secretary, and Tina Lanteigne — Treasurer.

"Stairway to Heaven" was the theme of our Freshman-sophomore Ballroom on March 30, 1985. Tracy Hall and Jill Gallagher were chosen as members of the court.

With the help of Mrs. Viles-Bachman, we struggled through the construction of our float, which was built at Deanna Cooper's house. Unfortunately, our Indian collapsed and we came in last place!

Our Easter candy Sale was not very successful, buy being new at fundraisers, we weren't surprised. President — Geralding Doyle, and Vice President — Jennifer Masterson were joined by two new officers: Jill Carlson — Secretary and Sarah Tierney — Treasurer.

Our sophomore year looked more promising than the last. Our float, again constructed at Deanna Cooper's house, took second place. With the help of Miss Strekouras, the sales of calenders and St. Patrick's Day carnations helped build up our treasury. In March of 1986, the Semi-Formal, "Faithfully", was held at Coachmen's Lodge in Bellingham. Representing our class was queen, Jennifer Masterson, and her court, Katherine O'Connell and Sonya Hoyle.

Junior class officers: Brian Loughlin — President, Jennifer Masterson — Vice President, Jill Carlson — Secretary, and Bronwyn Donahue — Treasurer were advised by Miss Figuerido. Although our magazine and record sale was a flop, our Valentine's Day dance added not only enthusiasm, but also several dollars into our treasury. Our prom, "We've got tonight", was held at the Sheraton-Mansfield in May of 1987; our court was again Jennifer Masterson and Sonya Hoyle.

For the first time, our class tied for first place in the Class Competition (nobody has to know it was a three-way tie!!)

September, 1987 — the beginning of the end — our senior year. The returning class officers: Jennifer Masterson — Vice President, and Jill Carlson — Secretary, were joined by a new President, Doug Berry, and a new treasurer, Tom Moore. Miss Figuerido continued as our class advisor and helped with our float, "O.A. Tigers roar as K.P. Warriors score", which came in second place. Although the football team was defeated by Oliver Ames, we never lost our faith. Our Homecoming Queen was Carla Axberg and accompanying her as the court were Jennifer Masterson and Stacy Latham. They all looked very beautiful.

Leading our spirits during the Thanksgiving Holiday was our bonfire, built by the seniors, on November 25, 1987.

The Senior class supper, held on March 3, was a big success; we had a hypnotist and pizza was served.

As a final memory, the Junior-Senior prom was held on May 20, 1987 at Demitri's Red Snapper Restaurant in Foxboro.

As we leave King Philip with our diplomas , along with many memories, we should keep in mind that "The Class of '88 was, and still is the best!!"

Jill Carlson

SECRETARY — JILL CARLSON
VICE PRESIDENT — JEN MASTERSON
TREASURER — TOM MOORE
PRESIDENT — DOUG BERRY

AOVISOR — MISS FIGUEIDO

THE CLASS OFFICERS FOR THE SENIOR CLASS OF 1988 WENT THROUGH MANY TRIALS AND TRIBULATION IN SEARCH FOR A PERFECT PLACE FOR BOTH THE PROM AND THE CLASS TRIP. BUT UNDER THE GUIDANCE OF DOUG BERRY, PRESIDENT, AND HIS EXECUTIVE BOARD INCLUDING JEN MASTERSON VICE PRESIDENT, JILL CARLSON SECRETARY, AND TOM MOORE TREASURER, THEY SOON CAME TO A PERFECTLY PLEASING DECISION. THESE OFFICERS WORKED WHOLE HEARTEDLY WITH THEIR VERY UNDERSTANDING ADVISOR, MISS FIGUREDO. THEIR PROJECTS INCLUDE ACTIVITIES SUCH AS DANCES AND SUPPERS. THESE VERY TALENTED LEADERS AIDED IN PRODUCING A VERY SUCCESSFUL AND EXCITING YEAR. NICE JOB DOUG AND THE BOARD — YDUR FELLDW SENIORS!

KING PHILIP AND SOVIET ARTISTS MAKE MUSIC TOGETHER

On Wednesday, March 9, 1988, Russia came to King Philip. In a multifaceted program of interviews and performances, King Philip and the Soviet Union participated in an all-day cultural exchange.

The program "Making Music Together" brought 285 Soviet artists to the United States, King Philip was one of the 16 high schools in Massachusetts chosen to participate.

Five Soviets, including a dancer, two illusionists, a composer, and a singer performed for students throughout the day. In addition, two American folksingers appeared performing alone and with the Soviets.

At the question and answer sessions in the media center and auditorium, students inquired about Russian fashions, music, dating and drugs.

When the Soviet program was finished, the King Philip Jazz Ensemble performed in their honor. The Soviets later invited the Jazz Ensemble to visit Russia.

"What's next?" Jason Romsey

Mr. Lombard's baseball team stunned the league with its 12 wins and 5 losses! Ed Moran, who represented the Hockmock League Baseball Teams in Mass. Baseball Coaches All Star Game, and Jason Romsey, who gave the team his most, captained our team in the 86-87 season. The biggest thrills for both the players and the fans was a phenomenal 7-1 victory over Canton followed by a spectacular comeback of 12-10 against Oliver Ames. Everything seemed to go right. Why the success to Coach Lombard, were the teams "talented athletes, optimistic attitudes and great performances."

"I knew I could do it!" — Patrick Sullivan.

They improved on last season's record of 0 wins and 16 losses to 6 wins and 10 losses, a remarkable achievement. Their proudest moment came while they were playing Franklin; they were losing by 8 runs, but due to their versatility they pulled together and ended the game victorious — 15 to 13. Such victories as these greatly improved the spirit of the team. Kari Palos was chosen Most Valuable Player, and Hockomock All Star. Other leading performers of the team were Lisa Kuta, Debbie Gorman, Marla Rovendro, Karen Cooke, Jen Smith, and Lisa Movsessian.

"Time to sit." Barbara Birkbeck.

The 86-87 Girls' Tennis Team, captained by Kim Reid, Most Valuable Player, and Lynda Cyrulik, Unsung Hero, along with Coach Goldberg led their team to a victory in their finest moment, by reversing a 0-5 score in the first match to a 3-2 victory for K.P. This was but one of many victories last season. During the State Singles and Doubles held at Bridgewater State College, the tennis team advanced to the second round singles with Sarah Mick and to the second round doubles with Karen Wessinger and Lynda Cyrulik. At the awards banquet, Jennifer Chamberlain was voted Most Improved Player. An optimistic coach predicted an even better 87-88 year. Captains will be Kim Reid and Jennifer Chamberlain.

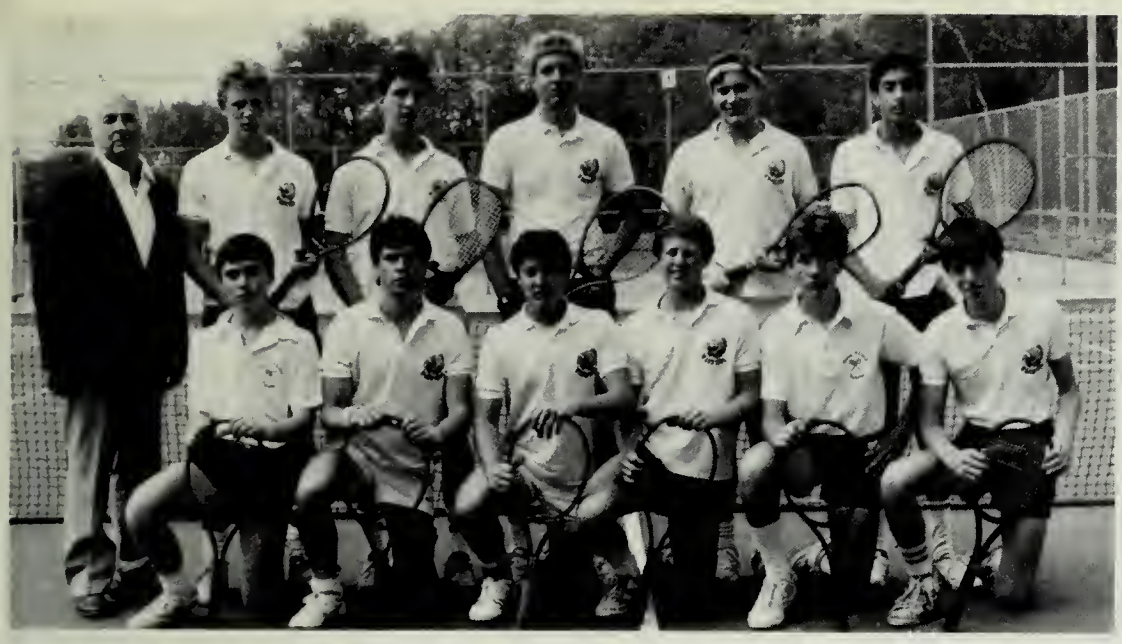

"This is real fun!" Michelle Killilea and Carrie Costa.

Back row — Diedra Sullivan, Brenda Bredvik, Kelly Mannering, Carrie Costa, Linda Operach, Cathy Intrieri, Sarah Mick, Karen Wessinger, Kim Reid, Jennifer Chamberlain, Kim Conefrey, Coach Goldberg. Front row — Michelle Killilea, Linda Cyrulik, Bridget Theberge, Sue Oliver, Kari Faford, Jill Carlson, Bronwyn Donohue.

Back row — Coach Dwyer, Doug Dixon, Gordon Murray, Erik Von Hausen, Gary Fortier, Anthony Balzarini. Front row — Brian Crocker, Paul Paulino, Neil Kavanaugh, Jerry Benson, Scott Schaier, Mark Lori.

The boys' tennis team led by Coach Dwyer and captains Gary Fortier and Jerry Benson ended the season in fourth place with 10 league wins and 6 losses. Even though they lost the first game against Foxboro 2-3, they finished up the season on a happier note by defeating Canton 3-2 to make the States. Captain Gary Fortier, voted Unsung Hero, dazzled the court and was selected as All Star Hockomock League Captain, the first tennis player from K.P. to achieve this position. Gordon Murray, voted Valuable Player, also was chosen an All Star in the Hockomock League. Coach Dwyer called this his most balanced team and took pride in saying that "They never quit a match, and the team continued to play better as the season progressed."

"The Tree Musketeers" Gary Fortier, Coach Dwyer, Jerry Benson.

"Watch your feet!" Gordon Murray.

"Where is the rest of Jerry's body?" Doug Dixon and Jerry Benson.

"Now, let's see where I stand next!" Doug Dixon.

"I'm going to kick this mat from under you!" Jeff Ellis.

"Go team go!" Coach Rose.

"This is cold!" Rodney Sutcliffe.

"Lift that foot a little higher!" James Teixeira.

Back row, Coach Daigel, Derek Awalt, Manny Costa, Kieth Ayotte, Nicholas Vito, Micah Thompson, John Rietz, Michael Cassavant, Coach Rose 4th row, Jeremy Rockett, Robert Garrity, Chris Boone, Mike Golindo, Rodney Sutcliff, Peter Boucher, Derek Berry 3rd row, Jeff McCarthy, Stephen Nelsen, Jay Webster, Rich Davis, Mike Degris, Scott Bettinger, Danny Costello 2nd row, Fred Longabard, Mike Oppenheim, Doug Berry, Kevin Gibson, Jeff Ellis, James Teixeira, Bill Fowler Front row, Jim Barrett, VJ Panettiere, Bill Packer, Bret Robbins, Joe Davis, Eric Mick

"Lift those legs!" Bill Fowler.

The budding 86-87 Boys' Spring Track finished the season with a league record of 2 wins and 6 losses. This clears the way for a new season of improved veteran athletes determined to settle the score with the opposition and give no mercy. Coach Rose said himself that many of the beginners showed the spark needed to make the 87-88 season a winner, with the powerful leadership of Doug Berry, Bill Fowler, and Steven Nelson.

"Faster than a speeding bullet!" Peter Boucher.

"And you said we weren't cute!" Sue O'Connor and Julie Barrett

K.P. Girls' Spring Track finished off the season in fourth place. Led by Coach Bremer and captains Nicole Damato, Audra Ayotte, and Holly Curtis. This year was one of record breakers, high point scorers, improved players, and strong performers. Stacy Latham received the award of high point scorer with 190⅔ points this season, and broke K.P.'s Triple Jump record of 35' with her leap of 36', a phenomenal attempt. Lexia Calzaretta, Most Valuable Player, scored 169½ points. As far as records are concerned Lexia broke a record in Javelin, set back in 1976, by throwing 106'5", and with a toss of 38'9½" smashed the 1978 record, a double achievement. Julie Barrett, Unsung Hero, was noted for her constant performance in girls' discus, a contribution the team knew they could always count on her for. All three mentioned above will be captains in the 87-88 season. Other frequent performers were Shannon Falkner, Jennifer Barrett, Kim Lavallee, Audra Ayotte, Jennifer Wisniewski, Laurie MacDonald, and Susan O'Connor. Varsity awards numbered 20. Of non-league meets members of the K.P. Girls' Track Team attended nine, including Brockton-State Track Coaches' Invitational, Hockomock League Meet, South Shore Meet, State Class B Meet, All State Meet, Eastern States Championships, and the Junior Olympics. Next year the Girls' Spring Track Team looks forward to topping this year's extraordinary season. This optimism is due to the fact that only a few players were lost due to graduation, and the freshmen shaped into great athletes. With this attitude and the past successes they seemed destined for it.

"High stepping" Laurie MacDonald

"Up and over" Kim Lavallee

"Now, what can I build today?" Stacy Latham

The rewards of winning.

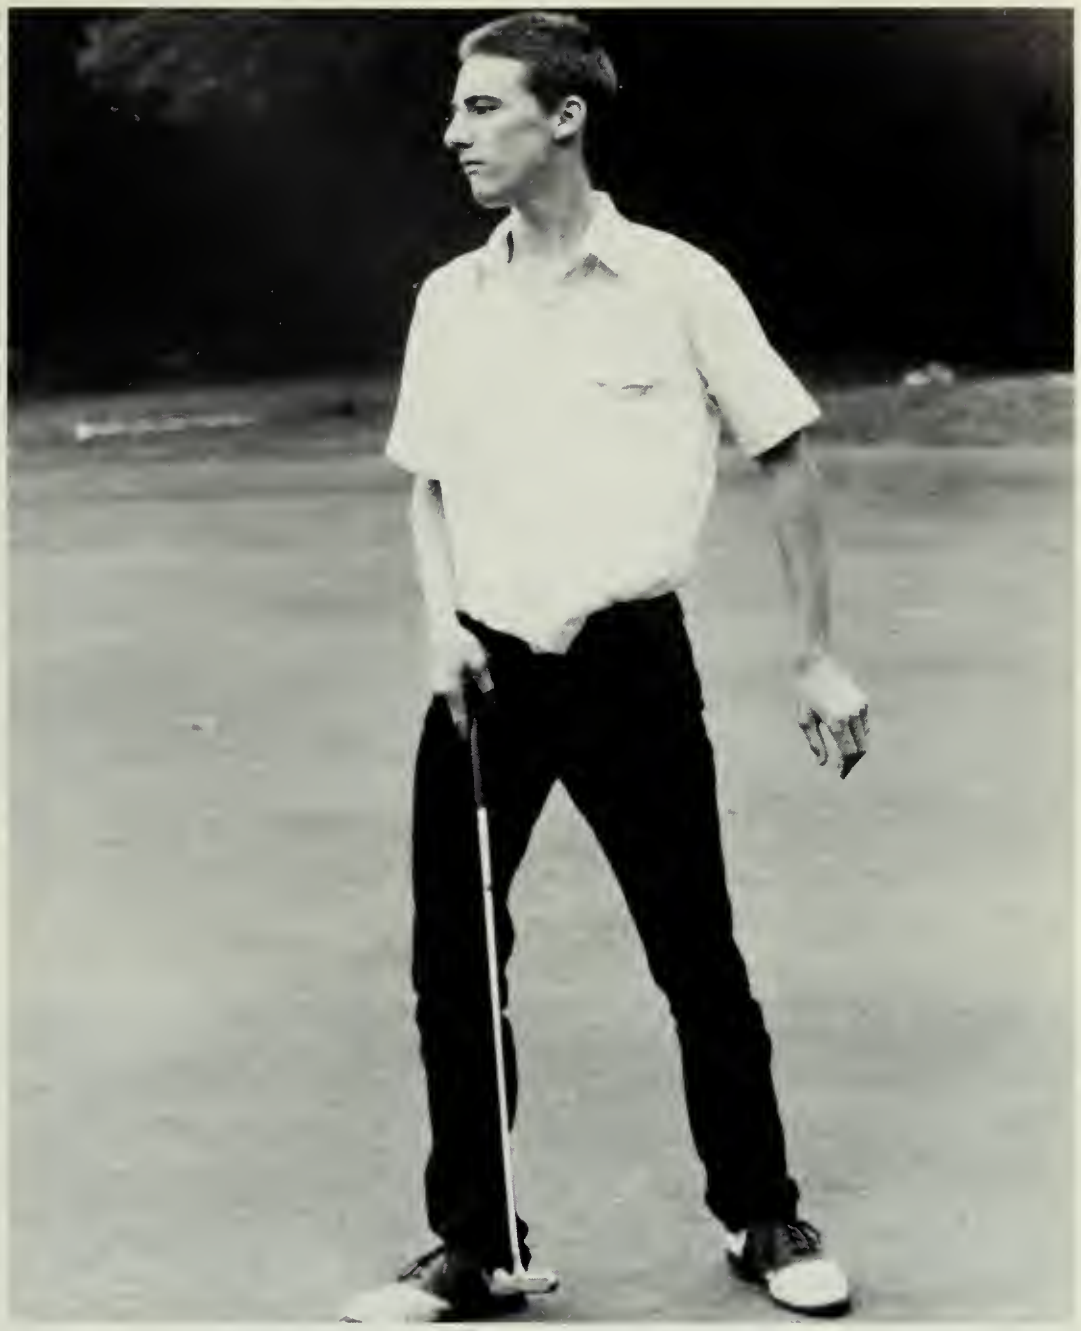

The 1987 Spring Banquet was an opportunity to express thanks to all team players. The banquet is uplifting and expresses the thanks that needs to be said. The banquet had a main meal of Chinese food, which was supplied by Chinatown in North Attleboro. After the meal, each varsity player was presented w/ either a letter or a jacket. The baseball team received special League jackets for winning the title of Hockomock League Champions.

"Thanks for the memories;; — Mr. Fairfield.

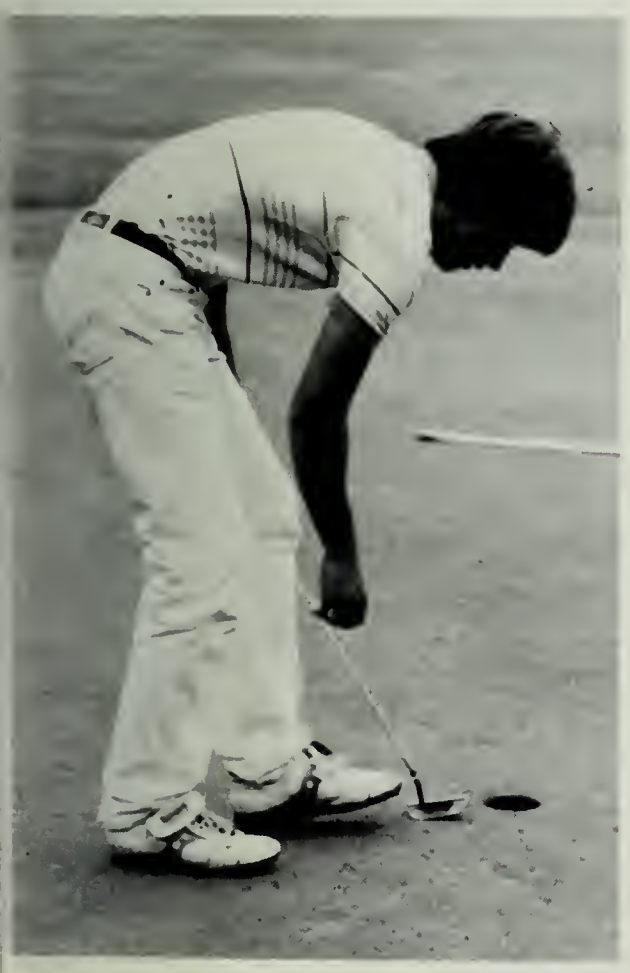

Coach Cosentino, Jeff Padula, Rich Blake, Neil Kavanaugh, Tim Gorman, Ed Movsessian, Matt Till.

The professional golf stance — Tim Gorman.

"First, you find a club" — Chris Olszewski, Brian Crocker, Neil Kavanaugh.

"Where did it go?" — Matt Till.

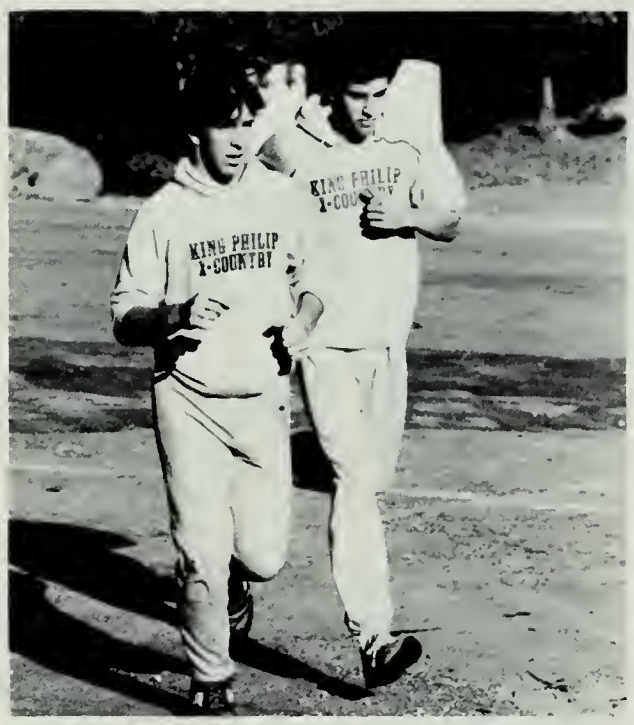

"Don't forget to write" — Ed Movsessian.

The 1987 Golf team finished the season with 10 wins, 2 losses, and 4 ties. The starting players were Neil Kavanaugh, Jeff Padula, Ed Movsessian, Rich Blake, Tim Gorman, and Matt Till. The other players were; Phil Redfern, Chris Olszewski, Rob Truit, Brian Crocker, Jace Pearson, Mike Cassavant, and Mike Gormely. The most improved player for this year was Matt Till. The unsung hero was Tim Gorman and the most valuable player was Neil Kavanaugh. Neil Kavanaugh also was the champion for the Hockomock league, the Sun Chronicle all-star, and the Hockomock league all-star. Jeff Padula also made the Sun Chronicle all-stars. KP finished as co-champions with North Attleboro.

Coach Bertelletti, Kevin O'Neil, Peter Bouche, John Andrews, Eric Sullivan, Vance Pirone, Steve Hamilton. Front Row — James Teixeira, Jeff Mahoney, Mike Digris, Rich Davis, Keith MacDonald.

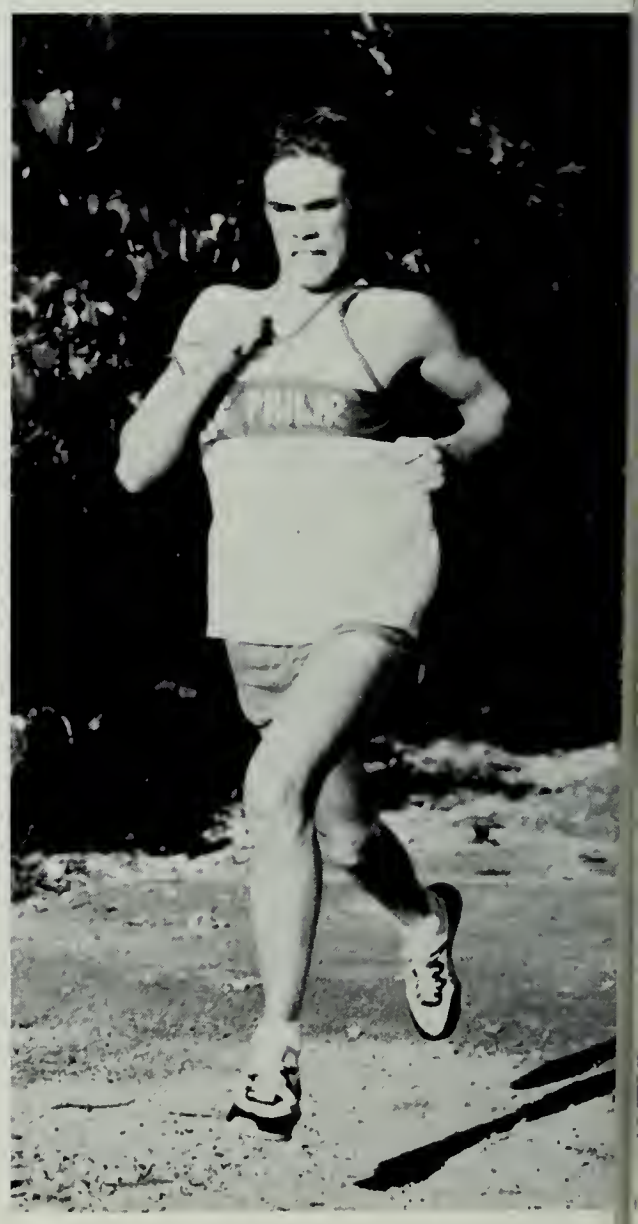

The 1987 Boy's Cross Country team finished this season with a 4-6 record. Even with a lack of runners, they finished strongly in the league and invitational. The boys captain, Rich Davis, made the All-Stars and finished in the top ten at the league meet. Peter Bouche, Eric Sullivan and Jeff Mahoney proved to be a great benefit to this years team. The other runners that helped in this successful season were Steve Hamilton, Kevin O'Neil, James Teixeira, and Vance Pirone. Even the loss of their best runner, Rich Davis, next years team will have a strong season.

"Easy does it" — Steve Hamilton, James Teixeira.

"Step two, three, four" — Eric Sullivan.

"Faster than a speeding bullet" — Rich Davis.

"And here he comes" — Peter Bouche.

"Do I really want to do this?" — Steve Hamilton.

This year's girls Cross Country team had an incredible season with 6 wins and 3 losses. The team's pride and joy, Pam Barton, placed fourth overall, and made it into the All-Stars. The new freshmen, Sandy Wood, Jennifer Kettell, and Abby Bender, helped the team in its outstanding season. Laurie MacDonald, the teams only senior, had a very good season, losing her will be a great loss. This year's captains were Laurie MacDonald and Jennifer Wisniewski. Even with the loss of Laurie MacDonald, next year's team will have an awesome season.

Coach Bertelletti, Jen Wisniewski, Laurie MacDonald, Jennifer Kettell, Pam Barton, Abby Bender, Alycia Bragga.

'Are you really going to do this to me?" — Jen Wisniewski.

"Ah-Ah-Choo!" — Laurie MacDonald.

"Here I go!" — Alycia Bragga.

"Always ahead of the pack" — Sandy Wood, Jen Wisniewski, Laurie MacDonald, Alycia Braga, Pam Barton.

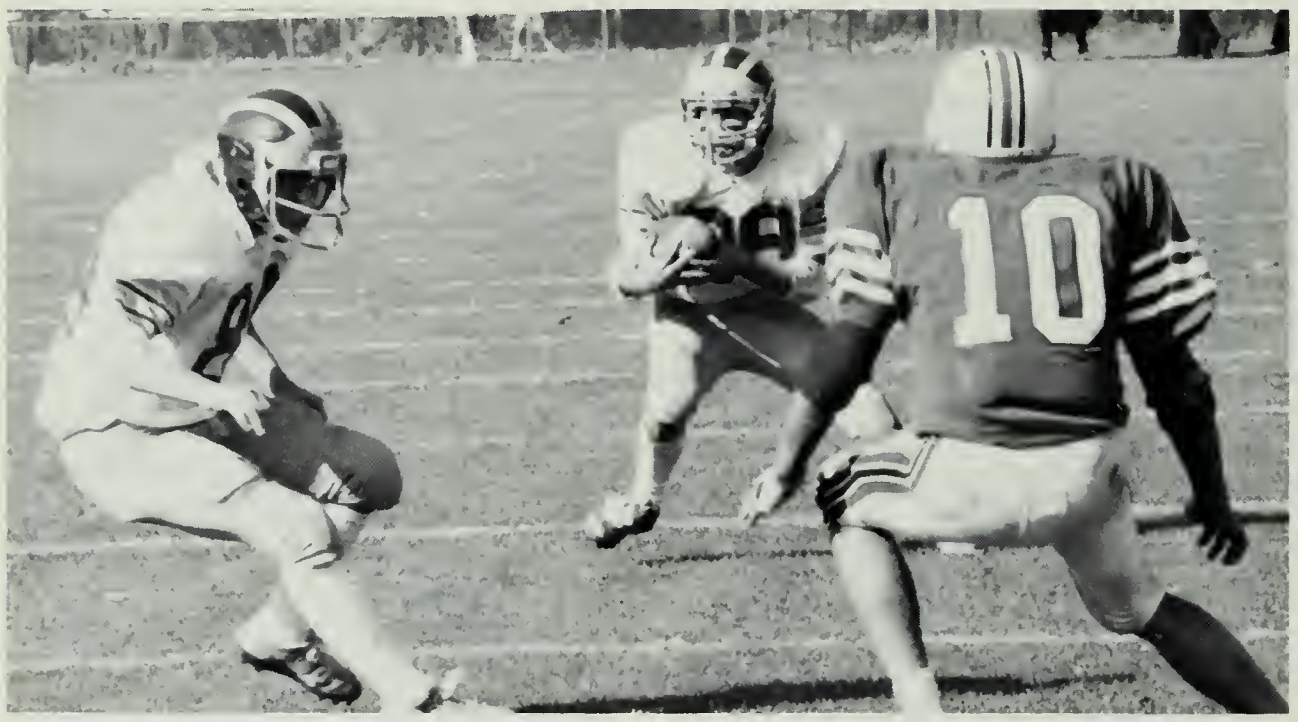

"Oh my, Oh my!" — Jennifer Kettell.

The King Philip Warrior Football team finished the season with three wins and seven loses. The major win, which made a lot of seniors content, was the Thanksgiving Day football game against our arch rivals Franklin. The K.P. team had a 14-6 victory over Franklin. We also retired the Thanksgiving Day trophy for the first time in 28 years. This year's captains were Jason Romsey and Jay Hartnett. The main factors that attributed to the team's overall record was the fact that they were a very young team. With only twelve seniors on the team, the offense and defense was mostly juniors. Next year's captains will be Paul Carlow, Aaron Paul, and Jim Weir. We all wish next year's team the best of luck.

The victory after the battle. — Brian Healy.

The King Philip Field Hockey team, with the aid of Coach Tower, Joan Faford, Stacy Latham, and Lexia Calzaretta, had 5 wins and 9 losses as opposed to last year's losing streak. The captains for this years team were Stacy Latham and Lexia Calzaretta. The reason for the team's awesome spirit was "They had a perfect attitude. They really struggled to do well this year. They won 4 more than they did last year and that boosted their confidence" according to Coach Tower. Other than improving their standings, KP was recognized as being the most improved team for the 1987 season. Lexia Calzaretta contributed to this honor by making 167 saves that could have cost the team a game or two. Next Field Hockey team should really show their stuff in the next years.

The 1987 Boys Soccer team finished the season with 6 wins, 9 losses, and 2 ties. The most valuable player was Ed Moran. Some players which helped in the winning of games were Pat Sullivan, Dave Killian, Todd Lindmark, Ed Moran, Matt Moran, Doug Dixon, Scott Ross, Scott Ettenhoffer, Torben Rytkonen, and Jason Gabbard. The soccer team improved from last year. Pat Sullivan made many great saves and with the help of the defense, which made many, many saves also, the team was able to hold its own. The defense worked on getting the ball to the forwards, the forwards worked on getting the ball in the net. Many assists were made by Scott Ettenhoffer and Dave Killian. With the loss of Matt Moran, who was out with a broken leg from a sliding tackle, the team was unable to complete its offensive drive. Next year's soccer team will have many returning players and we are hoping for an excellent season.

Shannon Faulkner (next year's captain) was Hockomock League All-Star. The team recruited 15 freshmen, 2 of which were varsity. The team improved greatly considering they only had one win last year. The team this year demonstrated more experience and a better attitude than what coach Myette (coach of four years) has seen in the past years as a coach. This coming year, coach Myette hopes for a 500 season. There are still a few weak areas but coach Myette is working hard on these areas and hopes they can improve.

The Cheerleading team has competed in many competitions this year and has been ranked tenth in the country. Lack of funds though prevented the team from attending the National Competitions in Texas. This year's captains were Jen Barrett and Cheryl McMorrow. A lot of experienced juniors contributed their time to the teams this year. Next year will be an even better year.

The stars of the show. — Assorted players.

"This has been an interesting season." — Coach Tower.

This year's Boys Basketball team has had a tough time on the court. Their record for 87-88 season so far is 4 wins and 10 loses. Despite their record, they still keep up the good work that has won many games before. This year's captains were Jason Romsey and Phil Redfern. In all the years of Boys Basketball, this has been the first year that seniors have not overrun the team. With only three seniors on the team, KP won't have too much trouble starting up next year's season.

The 87-88 Girls Basketball team made big changes this year. A new varsity Coach, Mr. Schmidt, and a new JV Coach, Miss Hartly, were able to pull King Philip out of its losing streak. The first league win in four years was against Stoughton — 39-36. After that win, they also defeated Sharon and Canton. Their biggest disappointment for the season was a game against Oliver Ames they lost in overtime 33-44. Coach Schmidt attributes all of his wins to team unity and willingness to work together even when they are down. As of their 15th game, the Warriors are 6 wins and 9 loses.

With the tri-captains Brian Healy, Bill Fowler, and Jay Webster in command, the Warriors have managed a 4 and 2 record. This year's best 50-yard dash goes to KP's own Jeff McCarthy with a time of 5.7. With Athletes such as these, it is amazing that KP is only in third place.

Oh Boy — Derek Awalt

I'm going to do it — Jay Webster

Puff! — Mike Digris

And there it goes — Jamie Faulkner

The leader of the pack — Torben Rytkonen

3rd row Deb Watts, Gayle Tasker, Jen Barrett, Jen Hunter, Linda Nelson, Sandra Wood, Coach White. 2nd row Cindy Dynan, Jen Smith, Shannon Faulkner, Sandra Pennachio, Asha Gosh, Jen Wisniewski, Jill Kelly. 1st row Kelly Lavallee, Lexia Calzaretta, Stacey Latham, Kim Lavallee, Laurie MacDonald

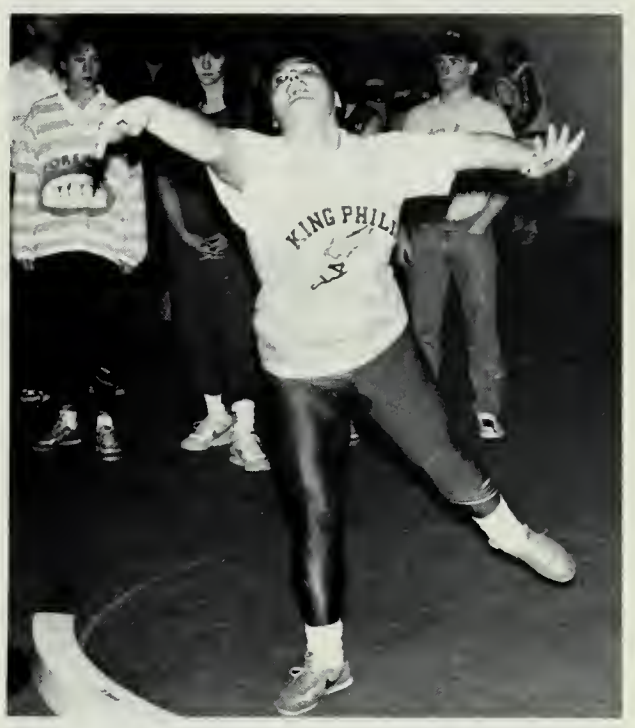

The 87-88 season has been a strong one for the KP girls. Lexia Calzaretta has been awarded with the year's best distances for shop put (39 feet), while Stacy Latham is still running circles around her opponents. As of their sixth meet, KP's girls have a 3 and 3 record and find themselves creeping up from fourth place to higher levels. This year's captains were Lexia Calzaretta and Stacy Latham. We are all hoping that KP will finish up with a bang.

Here I go — Jen Wisniewski

I'm so drained — Jen Smith

Push it off gently — Lexia Calzarretta

Can she do it! — Stacey Latham

This is really radical — Jen Smith, Asha Gosh

The 87-88 Gynmastics team is making headway in a lot of competitions. With a record of 7 and 3, they are placed third in their division. In a tri meet with Sharon, KP, and North, our own star, Lynn Simpson took First on the floor exercises and bars, and Second on the beam and vault. With the agony of defeat, though, KP lost by .10 of a point. We wish the gymnastics team the best of luck in the years to come.

No Hands! — Jessie Roper

Swing! — Kristen Watchel

Help! — Stacy Roos

Do I really want to do this? — Jill Gallagher

Hang on — Holly Rollins

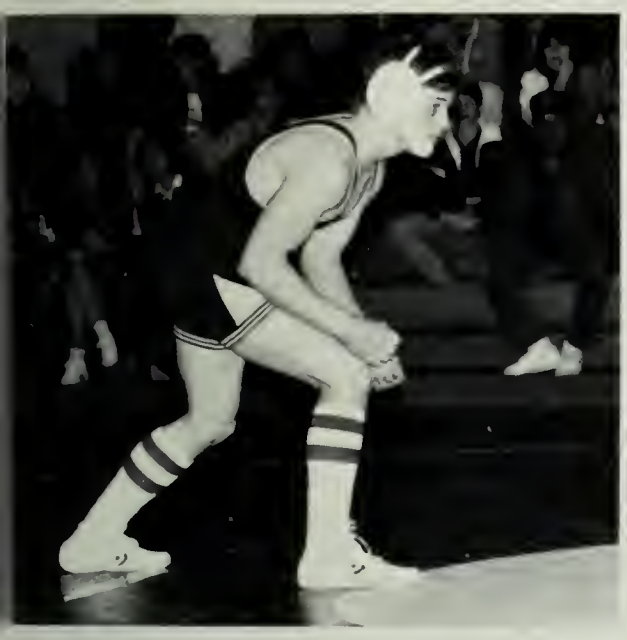

The moment of tension — Tara Kiley

With the new winter sport of wrestling coming to KP, it was amazing to see the number of boys that signed up. With the aid of Coach Greenbert, King Philip is ranked fourth. That is not bad for a first year of pinnings. After seven meets, KP has a record of 3 and 4. We are all hoping that the wrestling team will be stronger for next year.

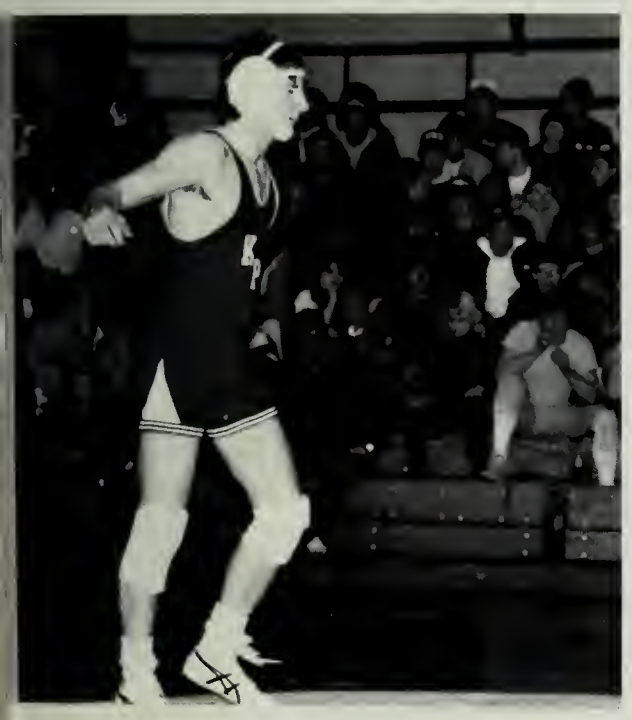

On your mark — Eric Paulson

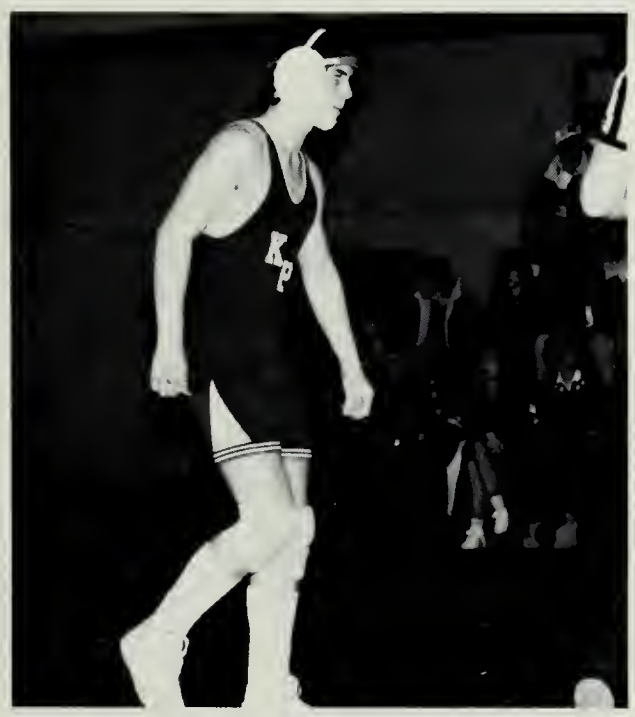

Waiting patiently — team members

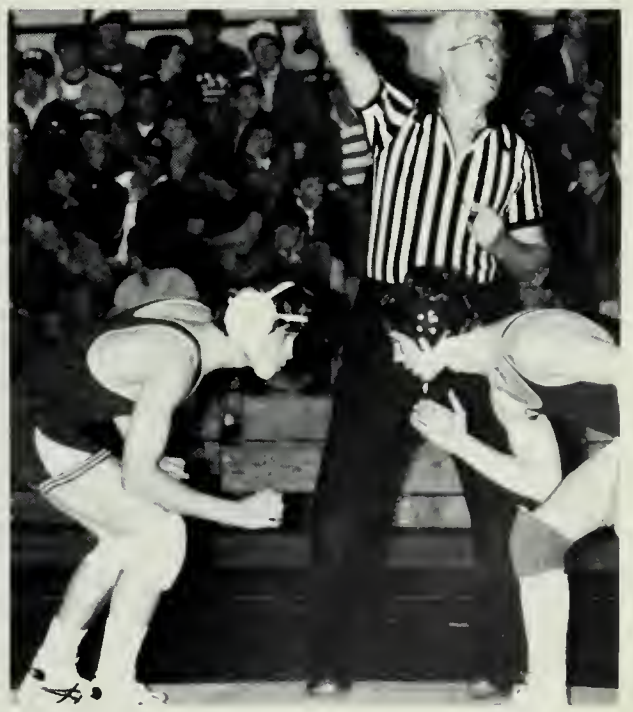

Die! — John Burhart

Get ready — Mark Olszewski

Here I come — Sean Ross

Go get him — Aaron Nicodemus

2nd row Tasha Pollard, Dawn Ross, Kimberly Bachlund, Christine Sutcliffe, Janet Wagstaff. 1st row Tara Donahue, Jackie Deplacido, Cheryl McMorrow, Deirdre Monahan, Kiki Thomas.

This year's cheerleaders have done much to boost the confidence of the basketball and hockey teams. Under the leadership of Deirdre Monahan, Cheryl McMorrow, and Coach Bouchanio, they have dazzled the courts and stands with a surge of energy that overtakes the players.

Are you ready? — Kiki Thomas

The pyramid of cheers! — The cheering squad.

Student Improvement

Through the work of Stacey Latham and Jason Romsey, along with their alternates Barbara Birkbeck and Steve Bettencourt the students of K.P. have a channel to give their advice and ideas. This council receives money to pay for certain proposals they feel beneficial to the students. For example, last year they were responsible for various assemblies and devices in the library.

SADD

Would you get into a car with a driver who had been drinking? Would you risk driving while you were intoxicated? The hope of the SADD members is that everyone who just read that said "NO!" As members they were encouraged to wear SADD buttons, and they met certain days after school to discuss the very important problem of drunk driving.

During the course of the year, there was a SADD week, during which students passed out contracts between friends to not drink and drive, or get into a car with a drunk driver. There was also an assembly for all grades in which there was a guest speaker. Before the semi-formal, prom, and graduation, the importance of staying sober behind the wheel was stressed. So, please, DON'T DRINK AND DRIVE!!

HERE WE ARE! WE ARE THE PEOPLE THAT HAVE CREATED THIS BOOK FULL OF EVERLASTING MEMORIES. A BOOK THAT YOU WILL TREASURE FOREVER, AND SOME DAY WHEN YOUR KIDS GET A HOLD OF IT, THEY WILL SEE WHAT YOU REALLY LOOKED LIKE IN HIGH SCHOOL. THIS COULD GET SCARY! THEY WILL BE ABLE TO MAKE FUN OF YOU AND REALLY SEE WHAT YOU LOOKED LIKE WHEN YOU WERE YOUNG. IF YOU HAVEN'T NOTICED, THE YEAR BOOK HAS MADE SEVERAL CHANGES FROM THE OL TRADITIONAL KP YEARBOOK. WE HOPE THAT YOU WILL ENJOY WHAT WE HAVE DONE AND WE HOPE YOU APPROVE. AND PLEASE FORGIVE ANY MISTAKES, IF WE HAVE MADE ANY. MAKING A YEARBOOK IS A LONG, HARD PROCESS, AND IT TAKES A RESPONSIBLE PERSON TO DO A GOOD JOB TO MAKE ALL OF OUR DEADLINES. ENJOY! AND REMEMBER ALL THE FUN AND ALL OF YOUR FRIENDS AND ALL THE GOOD TIMES OF YOUR HIGH SCHOOL YEARS!

WHEELS WERE TURNING IN THE MINDS OF THE JUNIORS AND SE-NIORS WHEN THEY BEGAN TO DEVELOPE THEIR THEMES AND DESIGNS FOR THE HISTORY DAY PROJECTS. THINGS WERE HEATING UP ON NOVEMBER 25 WHEN THE NERVOUS BUT ANXIOUS FOOTBALL PLAYERS WERE GETTING PSYCHED BY THEIR K.P. WARRIOR FANS. YES, IT WAS THE TRADITIONAL PRE GAME FLARE OF THE BONFIRE. ALL THE STUDENTS STOOD AND EN JOYED THE EXCITEMENT THAT FILLED THE AIR. THE FRESHMAN WERE FILLED WITH THE NEW EXPERIENCE WHILE THE SENIORS BE CAME VERY SENTIMENTAL. THE NEXT DAY, NOVEMBER 26, WAS THE BEGINNING OF A NEW RIVALRY.

DURING THE THANKSGIVING DAY GAME THE WARRIORS CRAWLED THROUGH THE MUD, CLIMBED OVER ANGRY OPPONENTS AND EVENTUALLY TAMED THE PANTHERS. THERE WAS ANGER FROM THE FRANKLIN KITTENS FOR AFTER THEY LOST THEIR PRIZE TROPHY TO THE MIGHTY '88 WARRIOR TEAM. IT WAS WELL KNOWN THAT FRANKLIN HAD HELD THE TROPHY EVER SINCE THE RIVALRY BEGAN YET, AFTER DEFEATING THE PANTHERS FOR THE PAST 3 YEARS, THE WARRIORS NOW DOMINATED THE GRAND AWARD.

Who runs our school? Is it Mr. William Costa, Superintendent of Schools, the Big Cheese as far as administration is concerned? Could it be the administrative assistant, the ever smiling Mr. Johnson, the man who deals with money? How about Mr. Fairfield, our principal and friend, the dominant figure in all our student lives? Many students tend to think the assistant principals run our school. Mr. Geib, who lays out the computer schedule of our academic lives, and Mr. Fitzsimmons, who knows who's here and who's not — both are in charge of discipline. Do they run it? What about Mr. Lojko, director of Pupil Personnel? Students wind up in his office for many reasons. Some for a schedule change, some for help in finding a college, some for just plain help. Those involved in sports would say that Mr. Edmonston, athletic director, decides what they do and don't do where sports intersect their lives. In the coordination of the vocational shops, Mr. Pierce and Mr. Paglari can be discerned as head honchos for all the vocational students in KP who depend mainly on them. In conclusion, the person who runs our school depends on an individual student viewpoint. On the whole, no one person runs the school; all are important and indispensable, and we hope to keep it that way.

The King Philip Regional School offers its students specialized programs to improve each individual skill. Students after graduating have the knowledge to either further their education or to go right into the working world.

The Machine program provides students with an opportunity to receive basic training on the standard machine tools in industry. These tools include lathers, drills, grinders, milling machines, and precision inspection equipment. In this program, the student has an opportunity to learn about their principal parts, the basic operations that are performed on them. The student learns to read and make technical drawings and is instructed in the use of various measuring tools. Using all types of metal, the student will learn to fashion the most intricate mechanical parts.

Basic Technical Drawing — This semester course is designed for the student who wishes to attempt to learn the theory and techniques of the language of industry — the universal graphic language. The student will learn the use of instruments to produce one-view drawings. Technical lettering, and introduction to the metric system, freehand sketching, and orthographic projection will be presented.

The students in Food Service learn how to plan, prepare, and serve meals. They learn about running restaurants and these skills will help them get jobs in the Food Service career field. The career fields that extend form Food Service experiences are jobs in hotels, restaurants, catering, hospitals, fast foods, resorts, and the option of working in any part of the country.

Electrical, a course designed to instruct students in the knowledge of electricity theory, how electricity works, how it is generated, controlled, distributed, and put to use. The student will learn the adaption of this theory in the electrical shop by wiring various types of lighting fixtures, switches, appliances, power tools, signs, transformers motors and controllers, and low and high voltage. The dedicated student can pursue the many options available in the electrical field: alarm systems, telephone systems, control systems, audio systems, electronics, cable T.V. and robotics.

Sheet metal emphasizes the basic skills and technical knowledge needed in the various areas of the sheet metal trade. Instruction is given in heating, ventilations, layout, duct, blower piping, butters, and leaders. Each student will have an opportunity to use the hand tools and machines of the trade. Welding, riveting, and soldering will be an intricate part of the instruction.

Students in carpentry learn the skills needed to build storage cabinets, display units, and kitchen and lavatory cabinets. Students will gain experience in the field of furniture repair and construction. Through these activities, the students will learn how to use hand and mechanical woodworking tools and machinery.

Mechanical Drafting — Industrial Drafting, Computer aided drafting, mechanical design architectural drafting, technical illustrating, interior decorating and engineering.

These Areas and many more areas will open up to students who have had training in drafting. There are also many highly paid related jobs that would benefit from background selected to drafting.

The future for drafters, the demand for drafters has been growing steadily. Computer aided drafting (CAD) has been growing at a phenomenal rate, It has become the standard tool of the drafter in industry.

Project Share is a vocational program which services learning disabled students through the BICO Collaborative. All collaborative programs are extensions of public school services.

Whereas mainstreaming becomes a goal for most students, small group or individual instruction is provided within resource classrooms and resource shop areas to prepare for successful mainstreaming.

The goals of the program are to provide learning disabled adolescents with the skills and knowledge necessary to obtain a high school diploma, as well as a marketable vocational skill (and a vocational certificate).

On Dec. 20, 1987 a life was taken.
Jimmy was a real sweet guy.
His untimely fate is now a question of why.
Now Jimmy looks down at us and waves good-by.
He wonders why we weep and cry.
He whispers, "Do not stand over my grave with tears in your eyes.
For I am not there, I did not die."

The Trophy for the winning class

There was a surge of spirit in the battle of the classes during the class competition of 1987. Seniors, Juniors, and Sophomores made great strides to bring the event to a three-way tie finale. There was great skill as one male and one female from each class attempted the adventurous obstacle course, while others made waves with the flirtatious nectarine pass. Yes, the evening was full of races both physically and mentally, but the night would not have been complete without the infamous Boston Cream Eat Out. Sweet Tooth students in this event dared to gorge themselves with this rich pie to bring their class ahead. All in all, the evening was inventive, sportive and hysterical!

ALL SOPHOMORE AND FRESHMEN THAT ARRIVED WERE IN THEIR BEST ATTIRE AND ESCORTED VERY FASHIONABLY BY THEIR DATES. THE QUEEN OF THE SEMI, TAMMY BASSETT, WAS BEAUTIFUL AND WAS COMPLEMENTED QUITE WELL BY HER COURT OF SUZANNE MASTERSON, WENDY GROTE, KIM KEARNS, AND LORENE EPPELY.

Friends don't let friends drive drunk.

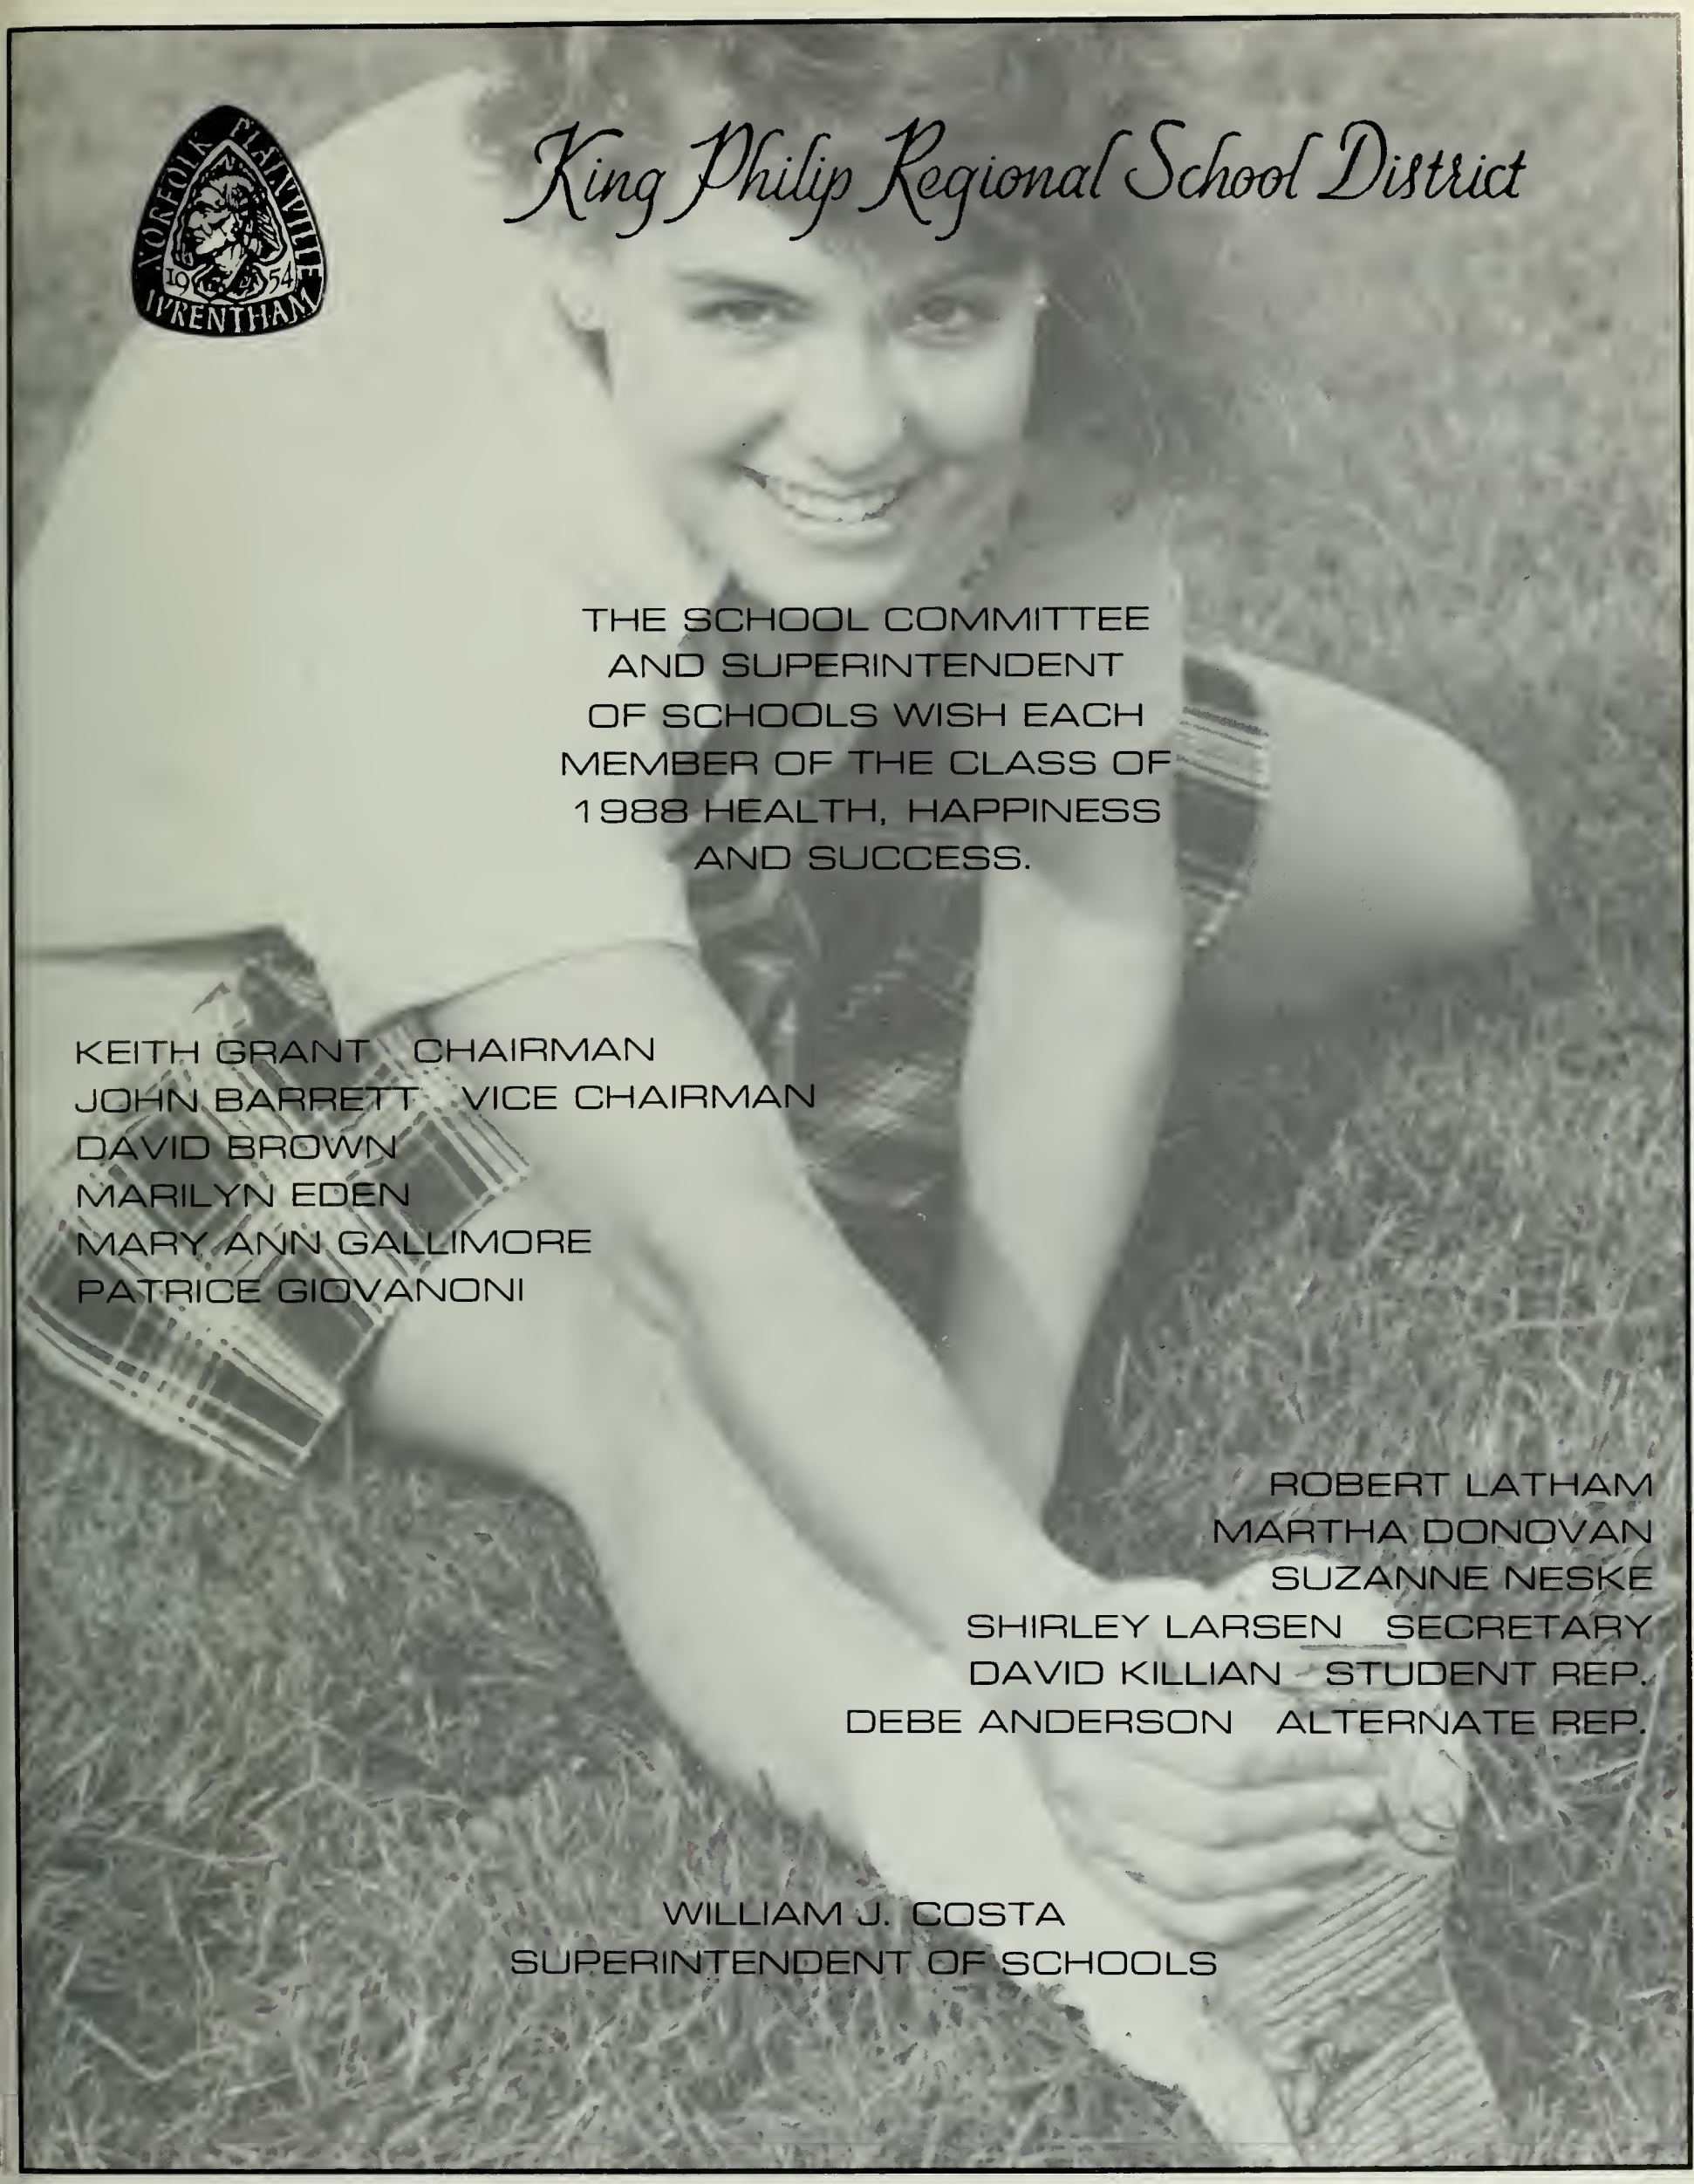

Drinking and driving:
we can help make it less popular.
Think about who's been drinking
and who's going to drive.
We have to start taking care of each other.
That's what friends are for.

In this special moment in life . . .

Think freely. Practice patience. Smile often. Savor special moments. Live God's message. Make new friends. Rediscover old ones. Tell those you love that you do. Feel deeply. Forget trouble. Forgive an enemy. Hope. Grow. Be crazy. Count your blessings. Observe miracles. Make them happen. Discard worry. Give. Give in. Trust enough to take. Pick some flowers. Share them. Keep a promise. Look for rainbows. Gaze at stars. See beauty everywhere . Work hard. Be wise. Try to understand. Take time for people. Make time for yourself. Laugh heartily. Spread joy. Take a chance. Reach out. Let someone in. Try something new. Slow down. Be soft sometimes. Believe in yourself. Trust others. See a sunrise. Listen to rain. Reminisce. Cry when you need to. Trust life. Have faith. Enjoy wonder. Comfort a friend. Have good ideas. Make some mistakes. Learn from them. Celebrate life.
